Expression and
Appreciation

 Learning to Be

Sample unit

This is me!

● Color the things you use in the morning. 

- Trace the circle to make an *a*.
Then, circle all the same letters. 

A large, faint watermark reading "Sample Unit" is diagonally across the page.

The page contains several instances of the letters 'A' and 'a'. A central vertical bar is shown with a dashed line above it and a solid line below it, indicating the stroke order for writing the letter 'a'. The letters are scattered across the page for tracing and identification.
